Comments:

Hi, I'm interested in the drawing classes at the Arts Centre. Can you send me details of the times of classes and the cost?

3 Look at the texts (A–E) again. Answer the questions (1–5).

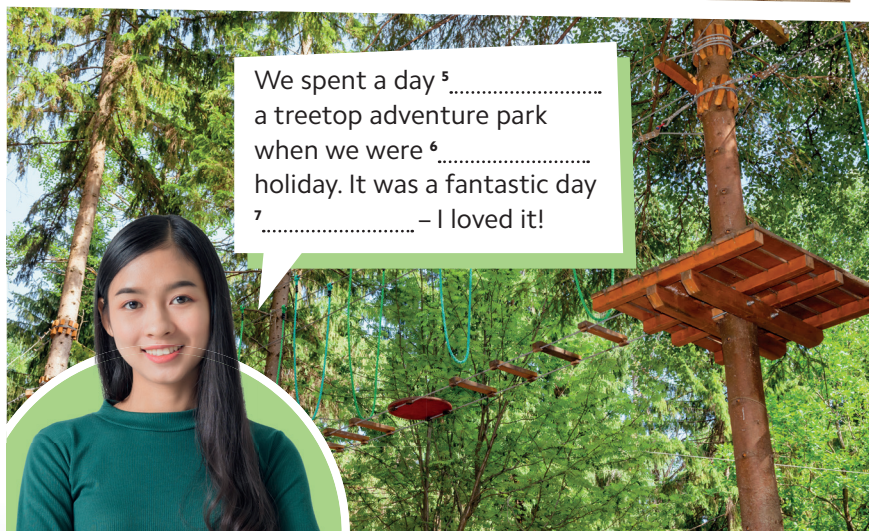

- 1 What has Ana Huang learnt? How long did she spend on the course?
- 2 How much does it cost to learn to climb for three hours? Who can go to these lessons?
- 3 Is the train ticket a single or return? What time does the train leave?
- 4 What date is the festival? Where can you find more information?
- 5 What is Olivia asking about? What does she want to know?

4 Match these topics with the texts in Ex 2 (A–E). Then think of four words related to each topic.

Write a sentence about doing one of the activities from the Starter unit or a different activity. Then rewrite the sentence, jumbling the letters of the words in the wrong order. Work in pairs to unjumble each other's sentences.

Write

- 10 Read the notice on a school noticeboard. Then write a paragraph about yourself (about 100 words).

Please supply a paragraph about yourself for your profile in the student area of the school website. Only other students at the school will be able to access this area.

Include answers to these questions:

- What do you do in your free time?
- What do you most like learning about at school?
- What do you hope to do this year that is new?
